To Whom It May Concern,

We enthusiastically recommend Vickie O'Toole. She is truly a talented real estate professional.

Our house, at 4052 Hartford in the South Grand area, had been on the market for 3 years. We had gone through 3 different agents and we were about to give up hope. It wasn't until we found Vickie O'Toole that our prayers were answered.

From the very first day that Vickie became our agent she worked tirelessly to find a buyer. She initiated programs that other agents never thought about, like advertising with different social and church groups. Her persistent determination and concern for our success was evident in all of her business negotiations. Vickie became more than our real estate agent, she became our friend.

With great confidence we recommend Vickie O'Toole. She do her very best to represent you. If you have any questions, please feel free to call.

Sincerely,

Thomas Norton
